

MECH-TECH INDUSTRIES

Your partner in Fluid Technology

**Driven by Experience
Powered by Precision
Building the Future of
Hydraulic Engineering.**

ABOUT US

Engineering Legacy

MECH-TECH INDUSTRIES is a family-owned engineering enterprise built on more than **20 years of experience** in the manufacturing, industrial maintenance, and automotive sectors. Our family has established a strong reputation by consistently delivering quality, reliability, and customer-focused engineering solutions across multiple industries.

Our journey began with **A.M. Engineering**, founded by **Mr. Riyaj Shaikh**, specializing in the automotive sector and earthmoving sectors earning the trust of customers through quality workmanship and dependable service.

providing industrial maintenance solutions and engineering support to a wide range of industries with a focus on efficiency, technical expertise, and customer satisfaction.

Continuing the family's engineering legacy, **MECH-TECH INDUSTRIES** was founded in **2023** by **Mr. Zaid Shaikh**, a Mechanical Engineer with a vision to deliver high-quality hydraulic solutions. The company specializes in the assembly of hydraulic hose assemblies, precision hydraulic fittings, adaptors, and customized hydraulic products for industrial and mobile equipment applications. We are committed to delivering reliable products that meet the highest standards of performance, safety, and quality.

Driven by innovation, precision engineering, and continuous improvement, our long-term vision is to become a trusted **OEM supplier** and a leading provider of **high-precision hydraulic components and industrial maintenance solutions**. We strive to build lasting partnerships with our customers by offering dependable products, technical expertise, timely delivery, and exceptional service.

Mission & vision

MISSION

Our mission is to provide precision-engineered hydraulic, hose, and fluid handling solutions through innovation, quality manufacturing, and technical expertise, ensuring long-term value for our customers.

VISION

Our vision is to be a trusted global partner in fluid transfer technology by delivering cutting-edge products, uncompromising quality, and sustainable engineering solutions.

WHY CHOOSE US

Our Strengths

- **20+ Years Experience**
- **Family-Owned Business**
- **Fast Delivery**
- **Pressure Tested Assemblies**
- **Custom Solutions**
- **Technical Support**

PRODUCT PORTFOLIO

Hydraulic Solutions

- **Hydraulic Hose Assemblies**
- **Hydraulic Fittings**
- **Adaptors**
- **Quick Couplings**
- **High Valves**
- **Tube Fittings**
- **Hydraulic and pneumatic Cylinder**
- **Power pack**
- **Filter**
- **Pressure Gauges**

MANUFACTURING

Capabilities

- **Cutting**
- **Crimping**
- **Inspection**
- **Custom Assembly**
- **Testing**
- **Inventory**

QUALITY ASSURANCE

Quality Commitment

- **Thread Inspection**
- **Pressure Testing**
- **Leak Test**
- **Final QC**
- **Traceability**

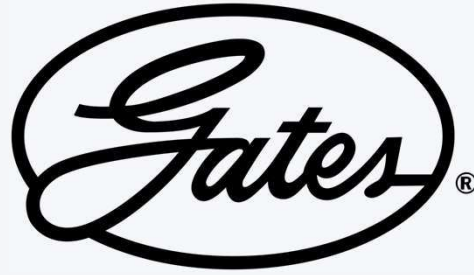

INDUSTRIES SERVED

Applications

- **Construction**
- **Mining**
- **Agriculture**
- **Steel**
- **Power**
- **Industrial**

AVAILABLE BRAND :

The Parker logo features a stylized black arrow pointing to the right, followed by the word "Parker" in a bold, black, sans-serif font.The Gates logo consists of the word "Gates" written in a black, cursive script font, enclosed within a black oval border. A registered trademark symbol (®) is located to the right of the oval.The ALFAGOMMA logo features a red stylized "A" symbol followed by the word "ALFAGOMMA" in a bold, red, sans-serif font.The Danfoss logo features the word "Danfoss" written in a white, cursive script font, set against a red rounded rectangular background.The Polyhose logo features the word "Polyhose" written in a green, sans-serif font, with a horizontal line underneath the text. A registered trademark symbol (®) is located to the right of the word.The manuli RUBBER INDUSTRIES logo features a red stylized "M" symbol followed by the word "manuli" in a grey, sans-serif font, with "RUBBER INDUSTRIES" in a smaller, grey, sans-serif font below it. A registered trademark symbol (®) is located to the right of the word "manuli".The SMC logo features a blue stylized "S" symbol followed by the letters "SMC" in a bold, blue, sans-serif font.
