

MECH - TECH

INDUSTRIAL HOSES

MISSION

Our mission is to provide precision-engineered hydraulic, hose, and fluid handling solutions through innovation, quality manufacturing, and technical expertise, ensuring long-term value for our customers.

VISION

Our vision is to be a trusted global partner in fluid transfer technology by delivering cutting-edge products, uncompromising quality, and sustainable engineering solutions.

1. Hoses

	Air hoses
	Water hoses
	Steam hoses
	Food hoses
	Chemical hoses
	Gas hoses
	Hoses for abrasive media

	Oil and fuel hoses
	Air conditioning hoses
	Silicon and EPDM Hose

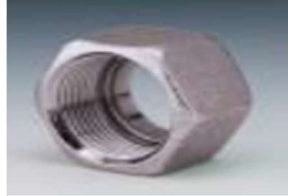

2. Hose protection

	Hose bundling
	Spring
	Hose cover
	Firesleeve

	Hose Shield
---	-------------

3. Hose fittings

	For SI hoses
	For TR hoses
	For duct hoses
	For steam hoses
	For concret hoses
	Kamlock connections
	Sandblasting connections

			Perrot couplings
			For POLY hoses
			For tanker hoses
			Clamp ring fittings
			Nut

4. Couplings

			Sleeves (with valve)
			Sleeves (without valve)

	Sleeves with unlocking protection (with valve)
	Sleeves with unlocking protection (without valve)
	Locking sleeves
	Connectors (with valve)
	Connectors (without valve)
	Connectors

5. Ball valves

	2-way
	3-way (L hole)

	3-way (T hole)
	Spare parts

Gate valves

	Pipe fittings DIN 2353, light series
---	--------------------------------------

5. Mounting technology

Hose clips

	Ear clamps
	CLIC clamps
	Worm drive hose clamps

	Hing bolt clamps
	Clamping jaws
	Hose clamps
	Retaining clamps

6. Water technology

Couplings

	Claw couplings
	Plug-in couplings

Sliding socket

	Sliding socket

7. Compressed air technology

Air blast guns with nozzles

	Air blast guns with nozzles
	Pneumatic Pipe

Couplings

	Claw couplings
	Claw couplings, rotating
	Claw couplings MODY

			Caps
			Plug-in couplings
			Rubber ring for claw coupling

Hose Fitting Termination End

			Threaded End
			Conical Nozzle
			Conical Nipple
			Hose connectors

Plastic connectors

	Screw-on connectors
	Screw-in connectors
	Screw-in sockets
	Bulkhead connectors
	Connectors
	Sealing plugs

Connectors for plastic pipes

	Connectors for plastic pipes
---	------------------------------

9. Fluid service

	Pressure Gauge
	Level indicator
	Pump
	Hydraulic cylinder
	Filter
	Power pack
	Partial flow filter systems

10. Accessories

Oil drain valves

	Oil drain Valves
	Oil drain Hose

Hexagon Socket

	UNC screw set
